

PRESIDENT'S MESSAGE

Larry Crosbie

My first thought today is to offer my personal thanks to all our members who have served in the armed forces of this great country. Many of our extended families include veterans who have served and some of which who have made the ultimate sacrifice. Surely freedom is not free.

Memorial Day weekend is also the official start of our summer cruising season. We had four Corvettes cruise into Owensboro Friday for "Corvettes On The River". We enjoyed a fine evening of Corvette fellowship and food. However, I lost my caravan on the way home in Owensboro downtown traffic. Bob Whittaker followed me out of town, but when I looked up everyone was gone??? Thanks to Dennis Ingram for leading the way for Bob Harder. Despite me, all made it home okay.

Also, congratulations to the members who attended the Clarksville show last week and who came back laden with trophies.

Finally, thanks to Linn and Charleen for hosting our second house party in May. Although I was in Evansville, Indiana that night (attending my daughters 36th annual dance recital), I heard the party was well attended and all had a great time. Our house parties provide a great way to get to know your fellow CLBG members and spouses.

I hope you will all be able to attend our monthly meeting on June 2. I am inviting a special guest speaker who you don't want to miss!

NEW CLUB MEMBERS

We have photos to share of six new members this month. Although they joined us a few months back, we just got our hands on these wonderful photos. So WELCOME, once again, to our three new(ish) couples!

KENTUCKY DERBY PARTY

Saturday, May 5, 2018

Once again, Fred and Diane Kayser graciously hosted our entire club at their home for one of our favorite events – the Kentucky Derby Party. Although the weather did not cooperate, with rain pouring down most of the day, we were dry and happy in their lovely home. Fred even made room in this garage/man-cave for the overflow. A few friendly wagers resulted in a few happy partiers, as the amazing Justify muddled his way to a win. Enjoy these photos and be sure to visit our website to see many more in the photo albums.

CLBG MEMBERSHIP 5 YEAR ANNIVERSARIES

This is where we celebrate our members who have been with us for 5, 10, 15 or 20 years. This June, we have one couple who joined us 5 years ago – Patrick and Karen Maddock. Thank you for your loyalty to the club!

Congratulations!

WORDS FROM THE WEBMASTER

[HTTP://CLBG.US/](http://clbg.us/)

This month we are adding yet another new Skidmarks feature, *Words From The Webmaster*. We will highlight additions or changes to the CLBG website, Issues and their resolutions, and the occasional helpful hint.

European General Data Protection Regulations (Say, what?)

If you use any online services, you've undoubtedly received an email or notice from each one about changes to their privacy rules as a result of new regulations. This also applies to Corvettes Limited Of Bowling Green KY Inc. We have been working closely with ClubExpress, our association management software vendor, to comply with these new regulations.

At the end of this month, when you login to our website, you will be redirected to a new screen where you will be required to answer a couple of questions:

1. You will be required to click an "I Agree" box for the updated Privacy Policy
2. You will also be asked whether you will accept general purpose communications concerning club or association business, such as newsletters and event notices. This question is required, but you have the option to accept or decline such communications.

Event Setup Form

The Event Calendar tab has been changed to read "Event Calendar & Setup." In addition to the calendar, you will find on that tab the new "Event setup form". Use this form as a guide for information needed to generate a club event. You can fill it on online (this is the quickest way), or print a paper form to fill out. If you complete the paper form you can give, Email, Snail mail or call the information to our Activities Director, Joe Tucker.

Sign On To The Website

When you go to our website, be sure to Sign On! When your are signed on, much more information is available to you, such as detailed information on calendar events, the Member Directory, the club Membership Meeting Minutes, the Financials, and much more which non-members (and those not signed on) are not allowed to view.

If you forgot your sign on or password, let Terry know at webmaster@clbg.us .

New Club Photo Albums

Go to Photo Gallery – Photo Albums to see several new albums of club activities.

This Just In... **Car-nage in the NCM...**

Or so it appeared for a few minutes, as the Racing exhibit began an overhaul, including changing out the uniforms of our unfortunate drivers, er, dummies. I have been assured that it was a painless event, with our plastic friends sustaining no injuries.

BBQ TIME AT LINN & CHARLEEN MARSH'S

May 19, 2018

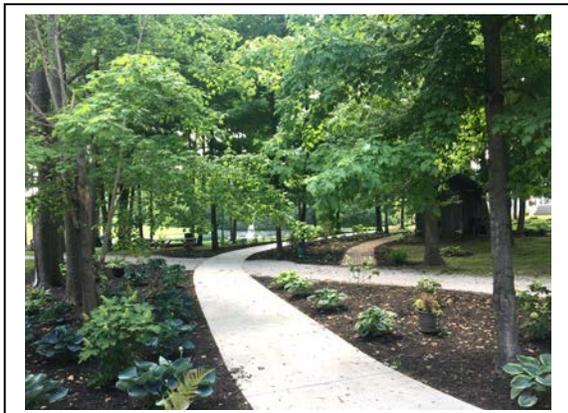

Charleen & Linn certainly know how to host a cook-out. They invited the Club to join them for ribs, wings and a whole lot of side dishes at their beautiful home in Warren County. We enjoyed the food and the comradery of a large gathering of fellow club members. A huge thank you to you both!

SHRIMP BOIL AT SONORA KY

May 20, 2018

There was no shortage of events to choose from in May. Right on the heels of the Marsh's BBQ, our friends from the Owensboro club arranged for a cruise to Claudia's Tea Room/Thurman Landing for a Shrimp Boil. While our club members cruised directly up from Bowling Green, the other club joined us at Sonora for the dinner. The setting is about as Kentucky-awesome as it gets. And, of course, food. Lots of good food!

CORVETTES ON THE OHIO

May 25, 2018

One more opportunity to meet with other Corvette groups was on Friday, May 25, for the Corvettes on the Ohio in Owensboro, KY. A few of our members made the trip and enjoyed the charm of old downtown Owensboro and some really good weather.

CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

Fred Kayser

The cold weather is behind us and Corvette weather is here. Take advantage of the opportunities to enjoy the open roads, including cruising to the NCM and MotorSports Park.

Murals with a theme of "Louis to Le Mans: The History of Chevrolet Racing" will be on display at the NCM beginning in June. Also, the Le Mans Race Weekend will be held at the NCM on June 16 and 17.

There are 30 days in June and the MSP has events scheduled on 27 of them. Check out their schedule and decide on which activities you would like to participate and spectate.

Raffles are presently scheduled for June 7 (Black Stingray coupe) and September 1 (Torch Red Stingray convertible).

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.

The Love Bug (1968)

RECIPE OF THE MONTH!

Cauliflower Salad

I fell a little bit in love at the Marsh's BBQ last week – when I tasted Diane Blair's cauliflower salad. This recipe is tried and true, made every Thanksgiving at the Blair home, and for the occasional CLBG eat-a-thon. Enjoy!

Ingredients:

- 1 Medium head cauliflower, broken into florets
- 1 pound sliced bacon, cooked and crumbled
- 1 cup cubed cheddar cheese
- 1 medium green pepper, chopped
- 1 medium onion, chopped
- 1 cup mayonnaise
- 2 to 4 teaspoons sugar

Directions:

- In large bowl, combine cauliflower, green pepper and onion.
- Combine the mayo and sugar and spoon it over cauliflower mixture. Toss to coat.
- Cover and refrigerate for at least 4 hours before serving.
- Just prior to serving, mix in cheese and ½ of bacon. Garnish top of this salad with the remaining bacon.

Diane's Notes:

- Broccoli can be used along with the cauliflower.
- You can line the bottom of the dish with crispy lettuce leaves prior to serving.
- Be sure to leave the bacon and cheese out until serving, as they will "wilt" if mixed in early!

CHEVYS ON THE CUMBERLAND

May 19, 2018

Yet one more event where our club was proudly represented. Stan Marshall was part of the contingent who brought home the Largest Club trophy at this year's event. Stan also won first place for C7 and Ed Moss won second place for C6. Congratulations, guys! And thank you for "representing"!
