## PRESIDENT'S MESSAGE

Larry Crosbie

I wish to thank again Dennis and Sharon Smith and all those who contributed to making our Halloween Party Dinner and meeting a great success. Dennis even pledged to make this an annual Club event! House and Garage parties along with Tuesdays with Torie are great ways to get to know fellow Club members and guests in a more personal way.

Please plan to attend our important November meeting at the Museum to vote for Officers and Board members who have volunteered to serve (and preserve) the future of this great Club which has been operating since 1980. We have a full slate of candidates, thanks in part to special effort of a few of your fellow club members. If you cannot attend the meeting you can still vote (assuming you have paid your 2019 membership dues) via absentee ballot. Check your email or log onto our website for details.

I also wanted to share with all of you a conversation I had this week with Connie Russel, who manages donations for NCM. She shared that since donation records were standardized in 2003, CLBG has donated \$21,969 over that 15 year history. We also paid an additional \$2,600 to become a Business Lifetime Member of the museum. So, thanks to all of your generosity, we are closing in on the important \$25,000 milestone which when achieved gets our Club's name listed on the Donation Pyramid board near the original Museum Entrance. Of course this amount is overshadowed by the thousands of member hours volunteered over the years to support our museum. So, thanks again to all of you who have volunteered, become an individual member and even made individual donations to support our favorite not-for-profit organization. We will decide on 2019 Club donations in our January meeting.

Finally, save the date Saturday, December 1 for our annual Christmas Dinner in the Skydome of the NCM. Based on positive feedback from our members, we have asked Dianne Thurmond to cater the event again this year. Of course, Gary Cockriel will once again host our "Dirty Santa" gift exchange. **Sign up online ASAP!**

## 2018 CLBG CHRISTMAS PARTY & DINNER

Our annual Christmas Dinner and Party will be on Saturday, Dec 1 at 6:00 p.m. in the NCM SkyDome. If you plan to attend you need to Pre Register so we can have an accurate count and payment for the caterer. The price this year is \$10 per person for members. Price for non-member guests is \$20 per person.

We will be playing Dirty Santa once again. If you want to participate, bring a wrapped gift valued at \$15-\$20.

To register, you must SIGN ON to the club website. Go to the December calendar and click on the event. Follow the directions on the screen to register yourself, plus another member if you wish (e.g., spouse), and any non-member guest you are bringing. The system will show you the cost for each, and you can choose to pay on-line via credit card, or pay by check (bring check to the next meeting).

# WAGS & WINGS

## September 29, 2018 – Clarksville, TN

Cheri Marshall has reported on an event which she, her parents, Stan and Cynthia, and Ed Moss all attended in September. The smiles reflect the good time they had as well as their pleasure in winning some trophies. Cheri took 3<sup>rd</sup> place in the C6 class, Ed Moss took 2<sup>nd</sup>, and Stan won 1<sup>st</sup> place in the C7 class. Congrats, all!

# CRUISE DOWN NATCHEZ TRACE

## October 13, 2018

Thanks to planning by Stan Marshall, several CLBG members spent a lovely Saturday cruising down a portion of the Natchez Trace. They gathered at the Loveless Café in Nashville for breakfast before hitting the trail.

# CLUB HALLOWEEN PARTY

## October 6, 2018

It may not have quite been Halloween yet, but we all gathered at the home (garage) of Dennis and Sharon Smith to enjoy each other's company and food! View all the photos from the outing on [HTTP://CLBG.US/](http://CLBG.US/) under the Photo Gallery menu item.

# CLBG NATIONAL CORVETTE MUSEUM AMBASSADOR

**Fred Kayser**

The leaves are beginning to change color to their autumn splendor. Take advantage of this opportunity to cruise the countryside and, while you are out, check out the popular Louis to Le Mans: History of Chevrolet Racing exhibit at the NCM.

The newly remodeled Kidzone has opened. Bring the younger generation to the NCM so that they can enjoy it. While you are there, enjoy some treats at the cafe.

A Blade Silver Stingray coupe will be raffled off on November 8. Also, for those of you who are already thinking about Christmas stocking stuffers, an Arctic White Stingray coupe, with a ticket price of only \$10, will be raffled off on February 7.

There is a variety of interesting events scheduled at the MSP during November. You may view the listing by going to [www.motorsportspark.org](http://www.motorsportspark.org).

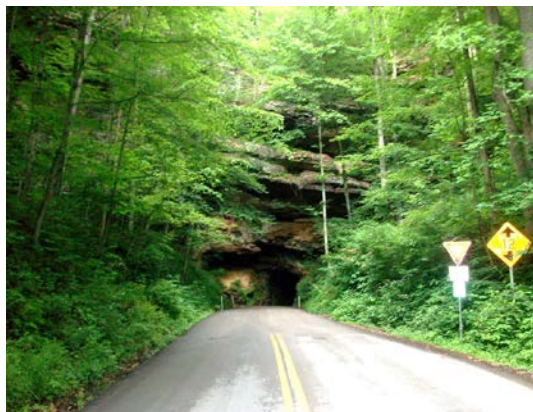

Membership in the museum has many benefits. If you are not presently a member, please consider becoming one.

## RECIPE OF THE MONTH!

### Grape Salad

I was perhaps the last person in Kentucky to taste the heaven that is Grape Salad. But I am betting that there are those of you who have partaken in this delightful dessert, disguising itself as a salad, and are equally eager as I to make a big ol' dish of your own.

#### Ingredients:

- 8 ounces cream cheese
- 1 cup sour cream
- 1/3 cup granulated sugar
- 1 teaspoon vanilla extract
- 2 pounds green grapes
- 2 pounds red grapes
- 1/4 cup light brown sugar
- 1/2 cup chopped pecans

#### Directions:

- Beat cream cheese, sour cream, granulated sugar and vanilla extract until smooth.
- Fold in grapes until evenly coated.
- Cover with plastic wrap and refrigerate for at least one hour, best if overnight.
- Just before servings, sprinkle with brown sugar and pecans.

## FOR SALE

Rich Sanders is offering his 2014 Vette for sale. In his words:

Because my 2019 C7 is in the process of being manufactured, I am selling my nearly new beloved 2014 Corvette. Basic description: 3LT..Z51.Coupe.M7. Chrome rims, indoor cover, battery tender, etc. I added Z06 side skirts and splitter. The car has about a 95% Expel wrap with most edges wrapped under. The car, wheels and calipers are ceramic coated. The engine compartment has a total stock look, but is detailed to a high "show" standard. The windows have a light tint

which was done mostly for UV protection. I purchased the car new from Les Stanford Chev in Michigan. It is now located in Bowling Green, KY. The car has only 4400 miles on it. Most of those miles were driven going to car shows. This car looks, drives and smells like new...maybe better. Price - \$45,750 (Kelly Blue Book is \$46,335).
