

Introducing a NEW Corvettes Limited event.....GARAGE TOUR!!

September 7, 2019

Please join your fellow members for an enjoyable day of short touring, fellowship and food by visiting three garages/man caves. At the final stop, the day caps off with our fall picnic and membership meeting.

The Tour begins at 10 AM at the Museum with a short tour to Oakland and the home of Jim Rizzuti. The member list has been divided into thirds. If your last name is Adkins thru Gregory, could you bring a breakfast item to share? Juice, water, coffee, paper plates and forks will be provided by our host. There will be a sign up sheet below of what you're bringing.

PARKING: Upon entering Jim's driveway you will be facing his detached shop/garage. First cars arriving may angle park in the grass (barring heavy rains) to the left and right of the driveway. Remaining cars can pull up to the garage and others fill in the driveway.

Around lunch time we will leave Jim's and tour to the Rich Pond area and the home of Bob and Cindy Whittaker. If your last name is from Grimes though Nye, please bring a light lunch/snack dish to share. Beverages and plates will be provided. A signup sheet is below.

PARKING:

The Whittaker's ask that everybody not park on the freshly sodded lawn but park on their long driveway back to their rear garage. Parking should be ample.

About 4 PM we will head north east to Plum Springs to visit the home of Bruce and Sandra Hazelton. If your name is O'Laughlin thru Wiseman please bring a dish which commonly compliments the cookout. For your convenience, if your dish requires refrigeration the Hazelton's are less than 15 minutes from the Museum starting point. You can drop off your dish before 9:30 and still have time for the start of the tour. Please sign in below with the dish you will be bringing to the picnic.

PARKING

Take the driveway on the left of the house to the backyard. There is ample parking on the flat grass behind the rear garage.

In case of heavy rain use all the pavement, with overflow parking on the street.
