

PRESIDENT'S MESSAGE

GARY COCKRIEL

Hi Gang,

Welcome to new members. We're glad you joined us!

At the last meeting our membership coordinator, Rick Davis, started giving out the gift we had gotten for our 40th Anniversary. You had to be a member of the club before the end of last year to receive it. If you haven't gotten yours, he will be set up again at the March meeting.

Last month we voted to make our annual donation to the Corvette Museum of \$1,500.00. Director of the Museum and club member Jack Matukas, was at the meeting and we gave him the check that night. The Club also voted to get another parking lot banner at the Museum.

We sent you an email asking you to fill out a form to make a pitch for a charity that you would like us to consider donating to later this year. We are extending that deadline for a few more months. Please fill out the form so we can get it in front of the membership for a vote.

Our club table that we bought for the café is being used most everyday by the delivery team. Our club was also the sponsor of a YouTube video for the Vette Academy at the Museum! Here is the link to that: <https://youtu.be/jKW26Z7IZjs>

There are several Club activities in the works and we will be sharing them as they get closer.

New member Dan Sutton receives
Club shirt from Rick Davis

We have a few people who have been sick, had surgery or lost a loved one - please keep them in your thoughts and prayers.

David Wiseman won the 50/50 money at the last meeting and Stanley Marshall won to have his car on our website home page for the next month. Congratulations to both of them!

Until next time, be safe!

Corvette Raffle – continued success... It is no secret that a huge fundraiser for the NCM is their periodic Corvette raffles. One may think that the era of the pandemic may have crimped the raffle ticket sales. But, guess what? There are still many people who are willing to try their hand at purchasing a ticket that will lead to the ownership of a new Corvette.

Here is a look at the results from the last 12 Corvette raffles: Winners were located from New Jersey, South Dakota, Nebraska, Connecticut, Wisconsin, Texas, Florida, Michigan, Kansas, Pennsylvania, New York and Missouri. The obvious conclusion is that “Corvette prizes” are showing up all across the nation.

One of the past 12 Corvette raffles was earmarked for an unlimited amount of tickets available for sale. In the other 11 Corvette raffles 18,000 tickets were available. The actual number of tickets sold amounted to 89.6% of that total. That definitely looks like a success.

Final questions: Do you have a “Win a Corvette” button? Do you wear it while you are out and about in the public? Please track and tabulate those hours that you wear the button.

Summer travels... Are you looking forward to weather improvements and hopefully, being able to move around somewhat freer? (Yes, it was a dumb question.) If you are looking for Corvette events in other areas in order to do trip planning, you might want to check out the NCM website’s calendar for car events that are in other club’s areas. This informative calendar is located at:

<https://www.corvettemuseum.org/explore/events/car-shows>

Corvette Café ... The Corvette Café located within the NCM is going through a major renovation. Many of the Café’s previous furnishings were offered for sale. Most are sold. But, a couple of items still remain and are available for nostalgic collectors. These items would make great conversation pieces for that man-cave garage.

Bash – April 22 thru 24... The Bash online registration remains open until April 1st.

Corvette Raffles... Here are the upcoming drawings:

- **2021 Black Corvette Coupe to be raffled on 2/25/2021 – sold out**
- **2021 Silver Flare Corvette Convertible to be raffled on 3/18/2021 - 1020 tickets left**
- **2021 Shadow Gray Corvette Coupe to be raffled on 4/1/2021 – 1343 tickets left**
- **2021 Arctic White Corvette Coupe to be raffled on 4/24/2021 (note: this will be raffled during the Bash.) There are an unlimited amount of tickets to be sold at \$20 each.**

RECIPE OF THE MONTH!

Spinach Stuffed Salmon

We are venturing away from sweets this month, and trying a dish that contains three of my favorites: salmon, spinach and cheese. Not only have I never had all three together, the top chefs of tv fame would have us believe that cheese and fish should never be combined. So let's break a few rules! This recipe is from Tania Sheff at <https://cooktoria.com/>.

Ingredients:

- 4 salmon fillets (4-6 oz. each)
- 1 tbsp. olive oil
- 1 tsp. Cajun seasoning or to taste

For The Spinach Stuffing

- 3 oz. cream cheese
- 1/2 cup mozzarella cheese
- 1/2 cup feta cheese crumbles
- 3 oz. fresh baby spinach

Directions:

- Make the spinach stuffing: Place the cream cheese, feta, and mozzarella into a medium mixing bowl. Roughly chop the baby spinach and add it to the cheese. Massage the spinach and cheese with your hands, until well combined (it should look like thick paste).
- Prep the salmon: Using a sharp knife, cut a pocket in the center of each salmon fillet.
- Season the salmon: Generously season the salmon fillets with the Cajun seasoning or your favorite fish seasoning, and brush them with olive oil on both sides.
- Stuff the salmon: Divide the spinach stuffing into four equal parts and spoon it into the salmon pockets.
- Bake the salmon: Bake the stuffed fillets in a preheated oven at 400 degrees F for 15-20 minutes, depending on how large your fillets are. Check for doneness after 15 minutes.

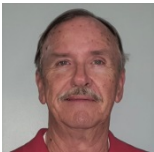

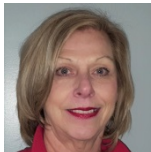

Susans Notes:

- If you don't like the stronger flavor of Feta cheese, you can leave it out and increase the mozzarella to one cup, or substitute Parmesan cheese for the Feta.
- This can get messy when baking, so I line my baking dish with aluminum foil to aid in clean up.
